I CORINTHIANS 11 | WEEK 6

## Opening Questions

1. Have you ever seen or been part of a conflict regarding public worship in the church? What was it about? How do you determine what is appropriate in public worship?
2. Is the experience you have in corporate worship geared more toward private growth or building up the entire body? Expand on your answer.
3. What questions would you have liked to ask Paul about chapter 11? What questions do you have for Pastor Hutchison regarding his weekend message?

## In the Word

1. Read the following in [1 Corinthians 11](#).
2. [Verses 11:2-16](#): What is the basic issue Paul is addressing?
3. [Verses 11:11-12](#): How does Paul note differences between men and women while still affirming their interdependence?
4. [Verses 11:23-34](#): How does Paul describe the meaning and importance of The Lord's Supper?
5. [Verse 11:27](#): Discuss how this meal was being abused.
6. According to what Paul says, how are worship priorities supposed to be shaped by believers in worship and unbelievers coming to worship? Why is this important?

## **Making It Personal**

1. Considering the content of chapter 11, how do you think God wants your attitude, actions, and approach to worship to change? What changes would you encourage Pathway Church?
2. What, if any, changes in approach or attitude regarding the Lord's Supper are needed?
3. How could your approach to worship be geared more toward the entire body of believers and not just private worship?
4. Personally and corporately, what considerations need to be made for believers and unbelievers in weekly corporate worship at Pathway Church?

## **Continued Learning**

1. As a Home Team, spend time in worship together (prayer, singing, silence, communion, etc.).
2. Pray for Pathway Church—for weekly worship that honors and pleases God and benefits the entire church and individuals.
