ROMANS 6:3-14 | WEEK 2

## Opening Questions

1. What do you think people inside or outside of the church think of baptism and its meaning and why?
2. Spend some time in your group sharing personal baptism stories.

## In the Word

1. Read [Galatians 3:26-27](#) and [Romans 6:3-14](#).
2. When you read the phrase, “clothed yourselves with Christ,” what comes to mind. Why did Paul think this was important for the Galatians?
3. [Romans 6:3-14](#) significantly ties baptism to death and sin. What does Paul say about those two subjects and the importance of baptism in [Romans 6](#)?
4. In the same Romans verses, Paul writes about resurrection and new life. What does he say about baptism and these two subjects?
5. Take a moment to read [Romans 6:15-23](#). Following up to baptism, Paul details what living as a slave to righteousness must look like. What does Paul say about our lives, righteousness, and why it's important?

## Making It Personal

1. Provide time for anyone in your group to talk about baptism and if they haven't been baptized, why. Ask if they would consider being baptized and help facilitate that as a Home Team. Schedule their baptism for the coming baptism weekend and cheer them on as a Home Team.
2. When you consider baptism and dying to self and sin, what sin does God desire for you to confess to Him and to others?
3. When you consider baptism and being raised to live a new and righteous life, in what ways does God desire to be seen in and through your life?
4. Spend time in prayer for one another as a group to live lives that please and honor God.

## Continued Learning

1. Read [1 Peter 3:18-32](#). What does Peter also help us learn about baptism in these verses?
